The Returning Officer shall in case of a tie vote have a casting-vote, whether qualified as aforesaid or not. The Returning Officer shall declare the result of the election and shall return the names of the successful candidates to the Water Board.

THE FIRST ASSESSMENT ROLL.

11. The lands within the territorial limits shall for the first assessment be classified into two grades upon the following method of grading:—

Grade A: Consisting of all land in the district which was prepared for irrigating and beneficially irrigated prior to January 1st, 1930.

Grade B: Consisting of all land in the district not classified in Grade A.

12. The improvement district shall not at any time be under obligation to supply water for the irrigation of any land which is not classified in Grade A in the first assessment roll as finally revised, but the Trustees may supply water for the irrigation of such land if they are satisfied that it is in the interest of the improvement district to do so.

13. (1.) The obligation of the improvement district to provide works for the generation and supply of electrical energy shall be limited to providing such works only where the Trustees are satisfied that it is in the interest of the improvement district to do so.

(2.) Upon the improvement district taking over the operation of the water system by means of which water is supplied for use on the lands within its territorial limits, the improvement district shall maintain points of delivery for domestic and irrigation use at approximately the places where such points of delivery were maintained by the Okanagan Centre Irrigation and Power Company, Limited, during 1929.

(3.) The acquisition and operation of all works for the diversion and carrying of the water from the point of diversion to the various points of delivery, including works for controlling and measuring the water at the points of delivery, shall be the duty and liability of the improvement district, and the acquisition and operation of all works for carrying the water from the point of delivery for each parcel as aforesaid to the place of use and for utilizing the water shall be the duty and liability of the owner of the land upon which the water is authorized to be used.

(4.) The Trustees may provide an additional point of delivery for any parcel of land upon the owner making written application therefor and pay-

ing a bonus of such amount as to the Trustees appears just and reasonable, and they may thereafter charge against the land affected and the owner thereof a special annual toll for the maintenance and operation of the works made necessary to comply with the said application, in addition to all other taxes, tolls, rentals, and charges payable in respect of the land affected.

(5.) When any parcel of land is subdivided pursuant to a plan of subdivision filed in the Land Registry Office after the first day of April, 1930, all works made necessary by such subdivision shall be constructed by the owner of the land, and when such works have been constructed to comply with the requirements of the Trustees the improvement district shall thereafter be responsible for the maintenance of that portion of the work so constructed which the improvement district would be under obligation to provide had the plan of subdivision been filed prior to the said first day of April, except where such parcel is subdivided into parcels any of which contains less than three acres of land, in which cases the construction of all works made necessary by such subdivision shall be the duty and liability of the owners of the land to be served therefrom, and the maintenance and operation thereof shall be the duty of the improvement district, and the cost of such maintenance and operation shall be borne by the owners of the lands served therefrom.

14. Sections 200 to 206 and 210 to 213, inclusive and Schedule B of the "Water Act" shall not apply to the said improvement district, and the following provisions shall apply:—

"An annual general meeting of the owners of the improvement district shall be called by the Trustees, and shall be held between the fifteenth day of February and the fifteenth day of March at a place within or in the vicinity of the improvement district, for the following purposes:—

"(a.) To receive from the Trustees a report on the condition of the works and a statement of the financial condition of the improvement district:

"(b.) To discuss with the Trustees any matter relating to the works or finances of the improvement district:

"(c.) To fix the remuneration of the Trustees for the ensuing year:

"(d.) To elect a Trustee or Trustees to fill all vacancies among the Trustees, and to elect a Trustee or Trustees to succeed those whose terms of office expire coincident with the holding of such annual general meeting.

"A special general meeting may be called by the Trustees at any time for the purpose of electing a Trustee or Trustees, or for the purpose of discussing with the electors any matter or matters relating to the works or finances of the improvement district which in the opinion of the Trustees should be brought up at a general meeting.

"At least seven days' notice of every general meeting shall be given by notices posted up in at least six conspicuous public places in the improvement district. The said notices may be in Form 4 of Schedule A of the 'Water Act.'

"The electors present at a general meeting, except the one called pursuant to clause 10 hereof, shall appoint a chairman and secretary of the meeting.

"The secretary shall enter in a book provided by the Trustees for that purpose minutes of all matters brought before the meeting, including all resolutions proposed and the action taken thereon and all votes taken upon any matter. The persons entitled to vote at any general meeting, except the one called pursuant to clause 10 hereof, shall be such as are British subjects, and are of the full age of twenty-one years, and are owners (as defined in section 165 of the 'Water Act') of land within the territorial limits, or are the duly qualified agents of such owners, or the legal representatives of such owners who have died, become insolvent or insane, and are not of Chinese, Japanese, or other Asiatic or Indian race. No person shall be entitled to vote at any annual or other general meeting while there is owing to the improvement district in respect of the land held by him any taxes, tolls,

or other charges other than those levied, fixed, or charged by the Trustees within one year of the date of the meeting. In the event of the right of any person to vote at any general meeting being challenged, the chairman shall have authority to determine whether or not such person is entitled to vote, and the chairman may require such person to make and file with him a statutory declaration showing that the declarant is qualified as aforesaid to vote at such general meeting. Forthwith after the holding of a general meeting the Trustees shall file with the Water Board a true copy of the minutes of such meeting."

15. All words and phrases given special meanings in section 3 or section 165 of the said Act shall, where used herein, be ascribed the meanings given them in the said sections unless the context otherwise requires.

WHEREAS a majority in number and value of the owners, as shown by the last revised assessment roll, of the property hereinafter set forth to be benefited by the drainage have petitioned the Council of the District of Surrey, praying that the said Council take such steps as may be necessary under the provisions of the "Municipal Act" to construct a drainage-ditch commencing at the centre of Section 20, Township 7; thence running north on or adjacent to the half-section lines of Sections 20, 29, and 32, Township 7, to the Nicomekl River and crossing the Brown Road and the Kensington and Mud Bay Road; and, further, that the cost thereof be assessed and levied upon the lands to be benefited by such work:

Re Erickson Ditch.

DEAR SIR,—Enclosed herewith please find estimate of cost, assessment roll, description of area benefited, plan showing location and contours, profile of proposed ditch and cross-section of ditches proposed, all in connection with the Erickson Ditch in Sections 32, 29, and 20, Township 7, New Westminster District.

We have included Lots 10 to 15, inclusive, according to Map 1998, of the North-east Quarter of Section 20, Township 7, as these lots will be directly benefited by proposed ditch.

No extra provision has been made for interest on borrowed money or cost of floating bonds, as we think the estimate will take care of this.

We beg to remain,
Yours very truly,

BURNETT & MCGUGAN.
